Dear Wine Lovers,

With the ever growing popularity of wine in this country comes a much broader choice. Now you can find a wine to suit any palette, taste or occasion. However, with this vast plethora of grapes available, it can be difficult to know which is which. After all, not everyone can be an expert straight out of the blocks. That's why we, at Riordan's SuperValu, started the Riordan's Wine Club. Now we can help you find the wine you want and, in turn, we can gain a better understanding of what you like.

At Riordan's SuperValu we have always strived to bring you the best selection of wines around. We go to great lengths to keep our range fresh and exciting, including the most luxurious top of the range labels alongside some great value gems. We are very proud of the fact that, no matter what the occasion, we always have a wine to suit your needs.

If you need advice on selecting a wine, are hosting a special occasion or just want to impress someone, I'd be more than happy to help you make the right choice.
